Product

Options Plus – SGL

Panels

Material: 12mm solid grade laminate (SGL) to provide maximum protection against water and vandalism.

Colour: To be confirmed from Shore Laminates solid grade laminate selection.

Edge treatment: Edges are machined to a smooth profile.

Framing

Material: 30mm moisture resistant MDF faced both sides with high pressure laminate (HPL).

Colour: To be confirmed from Shore Laminates high pressure laminate selection.

Edge treatment: Edges are profiled to facilitate installation.

Fittings

Panels: Concealed lift off or push on clips fixed to edge of framing.

Framing: Non-corrosive brackets and fixings.
